

MARKET CONSULTATION SOLACTIVE FIXED INCOME INDICES

20 April 2020

Content of the Market Consultation

Solactive AG has decided to conduct a Market Consultation with regard to a potential change in Fixing Time for the US Market from 3:00 PM to 4:00 PM (US Eastern Time).

Rationale for Market Consultation

Following analysis of the price differences at the 3:00pm (US Eastern Time) vs. 4:00pm (US Eastern Time) Fixing Time, Solactive AG can confirm that for around 40% of prices delivered at 4:00 PM (US Eastern Time) have updated prices compared to 3:00 PM (US Eastern Time) Fixing Time. The proposed change to a 4:00pm (US Eastern Time) Fixing Time assures the tracking of US fixed income markets in a more accurate and timely manner which is also aligned with market conventions.

Feedback on the Market Consultation

If you would like to share your thoughts with Solactive, please use this consultation form and provide us with your personal details and those of your organization.
