Solactive Wins Best European Index Overall Provider at ETF Express European ETF Awards 2024

21 March 2024

FRANKFURT AM MAIN – Solactive AG – a Germany-based leading index provider to the ETF Industry - has been recognized with the “Best European Index Overall Provider” award at this year's ETF Express European ETF Awards in London last night. This award recognizes Solactive's dedication to delivering the best possible benchmarks for our clients across all asset classes and further establishes the firm as one of the leading providers of indices for the ETF market.

At Solactive we believe that every ETF deserves a benchmark that is individually designed to exactly capture the value proposition of the fund to its investors. Our index solutions span across all asset classes and distinguish themselves from standard off-the-shelf indices through highly flexible design options. Together with our clients, we continue to disrupt the indexing game by challenging the status quo in index design with a continuous flow of methodological innovation at a fair price point. The recognition through this prestigious award confirms us in this approach and motivates us to continue to deliver the best possible indexing solutions to our clients.

Steffen Scheuble, CEO of Solactive, said: "We are thrilled and humbled to receive this prestigious award. The team at Solactive works tirelessly to deliver value to our clients with a fair pricing model. We will take this award as additional motivation to keep disrupting the indexing industry together with our clients and partners!"
